# Extended Focused Assessment with Sonography for Trauma (EFAST) workshop

**Course Director:**

**Dr. Haifa Algethamy**

## Course Description

**(EFAST) Course** helps “bring technology to the bedside” by offering practical, accurate, easy to use, high quality educational material to help providers learn how to perform a focused bedside ultrasound examination in trauma patients. This course will feature didactic presentations and hands-on skill stations for performing and interpreting ultrasound imaging used to determine injuries in the Focused Assessment with Sonography for Trauma exam.

**Limited Seats**

### Targeted To:
